### Guided Walking Tour with a visit to the Acropolis / Parthenon

TUES — THUR — SAT: Start at 08.40 from BUS STOP A2.

Duration: 3 & 1/2 hrs. Language: English. Groups restricted to a max of 18.

The 3 & 1/2 hour walk starts from our **BUS STOP A2**. The highlight is a guided visit to the famous and most significant creation of Ancient Athens, the Parthenon, sitting majestically on top of the Acropolis. You approach via the south slope of the Acropolis, passing the Acropolis Museum, the Dionysius Theatre and the Theatre of Herodes Atticus. You enter by the main gate (entrance tickets not included). Have your cameras ready for the amazing sights: the Parthenon, the Erechtheion, the Propylaea, the Temple of Athena Nike, and the Pedestal of Agrippa. The walk passes the Aero Pagos on your way to Anafiotika, the unique district on the Acropolis foothill. It is just like the picturesque houses and tiny walkways you find on a Greek Island! Continue through the Plaka area, with its narrow streets, colourful houses and many souvenirs. Arrive at the impressive 'Tower of the Winds', the world's first water powered clock, weather vane and meteorological station.

As you pass further around the Roman Agora, you pass the Ottoman Fethiye Mosque Museum and the Hadrian's Library from the Roman period. Your tour ends at **BUS STOP A14** on Monastiraki Sq., with the famous flea market. Hop On to our bus there and continue your tour, listening to the story of Athens leading from Ancient times through to today, while with your bird's eye view up on top deck you will see more of the quirks and interesting little corners of this great city.
